What is your cell phone number? If you get this, do you mind reporting out at the meeting on the weather and conditions for the next 2-3 days until next week when we might deploy back? I'm going to try and split the meeting up into you, me, Heth and the RP contractor. Thanks.

Good job investigator Tobias!...can we steal a good one for our cover photo on the OSC.net page? Thanks.

OSC Enders,

Here is a website I have found that has pictures of the fire.
[http://ulocal.koco.com/service/searchEverything.kickAction?
keywords=bachman&as=63269](http://ulocal.koco.com/service/searchEverything.kickAction?keywords=bachman&as=63269)

The folder I obtained from Matt Bachman is quite large, there are 435 MSDS. I can transfer the folder to you tomorrow unless you have specific ones you would like tonight? Please let me know.

Thanks!

Tobias Richards

Can you see if you can track down any photos of the fire? Also, please send me the files that were on the RP thumb drive. Thanks.
